**CENTRAL SECTOR SCHOLARSHIP SCHEME OF  
TOP CLASS EDUCATION FOR SC STUDENTS**

(Effective from September, 2018)

**1. Background**

The Finance Minister in his Budget speech on the Union Budget 2005-06 made the following announcements –

“The key to empowering the scheduled castes and scheduled tribes is to provide top class education opportunities to meritorious students. The three on-going scholarship schemes for SC/ST students under the Central Plan – Pre-Matric, Post-Matric and Merit-based – will continue.

To provide an added incentive, I propose a new window: a short list of institutions of excellence will be notified, and any SC/ST student who secures admission in one of those institutions will be awarded a larger scholarship that will meet the requirements for tuition fees, living expenses, books and a computer.”

*The Scheme was approved in 2007 and was subsequently revised in January, 2012 and June 2016.*

**2. Objectives and Coverage**

2.1 The Scheme aims at recognizing and promoting quality education amongst students belonging to SCs, by providing full financial support. The Scheme will cover SC students for pursuing studies beyond 12<sup>th</sup> class.

2.2 The Scheme will operate in all the institutions notified by the Ministry of Social Justice and Empowerment.

2.3 The SC students, who secure admission in the notified institutions, will be awarded scholarship to meet the requirements for (i) full tuition fee and non-refundable charges (there will be a ceiling of Rs. 2.00 lakhs per annum per student for private sector institutions and Rs.3.72 lakhs per annum per student for the private sector flying clubs for Commercial Pilot Training and Type Rating Courses) (ii) living expenses to the beneficiary @ Rs. 2220/- per month per student (iii) books and stationery @ Rs. 3000/- per annum per student and (iv) a latest computer/laptop of reputed brand with accessories like UPS and printer limited to Rs. 45000/- per student as one time assistance during the course.

2.4 The scholarship, once awarded, will continue till the completion of the course, subject to satisfactory performance of the student.

### **3. Eligibility**

3.1 Those SC students having total annual family income from all sources up to Rs. 6.00 lakh and having secured admission in a full-time course in any of the notified institutions according to the general selection criteria prescribed by the concerned institution, will be eligible for scholarship under the Scheme to the extent of the number of scholarships (slots) allocated to the institution for the course.

3.2 In case the number of eligible students admitted exceeds the number of slots allotted to the institution, the scholarship will be restricted to the top students in the inter-se merit list based on the admission criteria for the course. However, if there is more than one student with equal marks for the last available slot in an institution, preference should be given to the student with the lowest family income. The remaining students from SC category admitted in the institution shall be eligible for the Post-Matric Scholarship (PMS) administered by this Ministry through State Governments/UT Administrations, provided such students are otherwise eligible under the said scheme.

3.3 In case the institution finds that the number of eligible candidates in the 1st year are less than the number of slots allotted to it, the balance slots may be offered to eligible students studying in 2nd, 3rd and 4th year, etc. on the basis of inter-se merit of previous year's result giving priority to those with higher number of years left to complete their respective course i.e. 2<sup>nd</sup> year students are to get priority over the 3<sup>rd</sup> year students and so on.

3.4 Thirty percent (30%) of slots allotted to the Institution shall be reserved for eligible SC girl students as per their inter-se merit. In the absence of sufficient number of girl students, the slots may be transferred to eligible boy students as per their inter-se merit.

3.5 However, the 30% slots as mentioned above will not include those girl students who are selected on the basis of their performance in the overall merit list of SC students of the Institution.

3.6 The benefit of the Scheme will not be provided to more than 2 siblings in a family. The students will submit an affidavit in the Institution to certify that he/she is not the third sibling of the family who is availing benefit under the Scheme.

3.7 The scholarship will be terminated if the student fails to pass the final examination of each year or any terminal examination or semester examination prescribed. He will, however, remain eligible for the Post-Matric Scholarship.

6.3 The institution will furnish a Utilization Certificate in the prescribed format for the tuition fee and non-refundable charges released to it.

6.4 The performance of the SC students covered under the Scheme shall be monitored regularly by the Head of the respective institution and the same shall be reported, through a report card, to the Union Ministry of Social Justice and Empowerment at the end of each academic year.

6.5 Any institution violating the provisions of the Scheme and/or instructions issued by the Government of India will be denotified.
