Sir/ Madam,

Subject: Special provision of a Short Semester for the detainee students of B.Sc. (HHA), enrolled with IGNOU till academic year 2022-23.

NCHMCT has entered into an MOU with JNU for award of B.Sc. (HHA) Degree with revised syllabus from 2023-24. The students admitted till 2022-23 academic year are enrolled with the old syllabus with IGNOU. In accordance with the examination rule (2018) many students have been detained due to shortage of attendance or were not promoted due to multiple subjects back. In such case, practical difficulties to conduct separate classes for the student registered with IGNOU with the old syllabus and regular students registered with JNU with the new syllabus is observed.

To ensure a smooth transition from the old syllabus to the new syllabus, the matter was presented to the members of the examination committee on 30.05.23. In the bonafide interest of such students, based on the suggestion given by the examination committee the following amendments are being introduced:

1. The student who got detained due to shortage of attendance, a short semester will be conducted from 03.07.23 till 31.07.23 for them. During the short semester, the institute may decide to conduct the classes either in online or offline mode to complete the attendance formality and completion of the classroom inputs
2. A special exam will be conducted for such students by the Council from 01.08.23.
3. It will be a Run through program for the old syllabus students. The students after completing the classroom inputs become eligible to appear in the end-term examination. They will be allowed to go to the next semester/year with any or all paperback of previous semester/year and even if not appeared in the previous term examination for which he or she was eligible

The institutes are advised to act accordingly.

Yours sincerely,

Satvir Singh
Director (Studies)
